EKS							Code		Ammo Taping	Code								
EGS							Code											
EKM	0.22	224	±10	K	4	0G	Len. (mm)		2.0mm Pitch	TT	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EKG							Code		2.5mm Pitch	TU								
EOM							Code											
EGF	0.33	334	±15	L	8	0K	Code		3.5mm Pitch	TV	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EGT							Code		5.0mm Pitch	TC								
ESH							Code											
ERS	1	105	-40	W	30	1I	Code		Lead Cut & Form		PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EGY							Code		CB-Type	CB								
ERF							Code											
ERR	3.3	335	-20	C	40	1G	Code		CE-Type	CE	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
ERE							Code		HE-Type	HE								
ERD							Code											
ERH	4.7	475	-20	X	50	1H	Code		KD-Type	KD	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EBD							Code		FD-Type	FD								
ERA							Code											
ERB	22	226	+50	S	75	1T	Code		EH-Type	EH	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
ERC							Code		PCB Terminal	Code								
EFA							Code											
ENP	33	336	-10	B	80	1K	Code		Snap-in	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
ENH							Code						Lug	SG				
ERW							Code											
ERY	47	476	-10	V	100	2A	Code		Screw	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
ELP							Code						O5	O6				
EAP							Code											
EQP	220	227	-10	T	180	2P	Code		O5	O6	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EDP							Code						T5	T6				
ETP							Code											
EHP	330	337	+13	E	200	2D	Code		D5	D6	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EUP							Code						Internal Control Code	Code				
EKP							Code											
EEP	470	477	-5	F	220	2N	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EFP							Code						Internal Control Code	Code				
ESP							Code											
EVP	2200	228	-5	G	250	2E	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EGP							Code						Internal Control Code	Code				
EWR							Code											
EWI	33000	339	0	R	300	2I	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWT							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	0	O	310	2R	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	100000	10T	0	I	315	2F	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	+30	O	330	2U	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	100000	10T	0	I	350	2V	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	+50	H	360	2X	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	100000	10T	0	I	375	2Y	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	+5	Z	400	2G	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	100000	10T	+5	Z	420	2M	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	+15	Z	450	2W	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	100000	10T	+5	D	500	2H	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	+20	D	550	25	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	100000	10M	+10	H	600	26	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.						
EWX							Code						Internal Control Code	Code				
EWX							Code											
EWX	47000	479	+50	H	630	2J	Code		Internal Control Code	Code	PVC	If the sleeve material is PVC, there will be blank in seventeenth digit.
